

are considering the amendment unless you want to amend the amendment.

clerk; You amend.....

SPEAKER Nos just a minute, is your amendment to the committee amendment or is it to the bill as a whole?

SENATOR DICKINSON: I'll wait and make it to the bill as a whole Mr. Speaker.

SPEAKER: Are you ready for the question? The question is, the adoption of the committee amendments. All those in favor vote aye, those opposed vote no. We have about 2½ minutes left to debate this bill. Clerk will record.

CLERK: Amendments are adopted. 26 ayes, 0 nays, Mr. President.

SPEAKER: Amendments are adopted.

CLERK: Now Mr. President there is an amendment offered by Senator Dickinson to strike any reference to a specific location.

SENATOR DICKINSON: Mr. President members of the body, I would like to call attention to page 2 of the bill line 6, to be located within the city of Omaha, Nebraska such a location shall be selected by the state building commission but shall be within a described a small definite area. It seems tome that we should not be restricting the state building commission from deciding whatever processes they use, hopefully a rather sophisticated as to where the building needs to be and where it best serves the people of the area. I don't believe that we should be doing that by legislation. If we are going to designate eight million dollars to build an office building and serve the metropolitan area, we should not be considering the fact that there is a powerful move to rejuvenate down town Omaha. If the commission decides that is where it ought to be well and good, but they should have that decision left to them and not be made by this body. I move for the adoption of the amendment.

SPEAKER: Senator Whitney, your light is on, do you want to be recognized? Senator Snyder, waives? Fine, the question is shall the Dickinson amendment be adopted? All those in favor say aye, those opposed say no. This requires 25 votes. Have you all voted? Clerk will record.

CLERK: 25 ayes, 8 nays.

SPEAKER: Dickinson amendment is adopted. Any further amendments Mr. Clerk?

CLERK: None.

SPEAKER: Senator Cavanaugh.

SENATOR CAVANAUGH: Mr. Speaker, I move that the bill be advanced to E & R initial. I think that I have basically explained the bill and the intent is to provide office space for continuing programs as you know in many areas of state government we are
